

"The Right Science"

ATMOSPHERE FORTE PRO

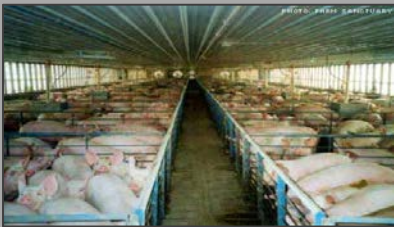

DRAMATICALLY REDUCES COSTS – ELIMINATES HARMFUL CHEMICALS – INCREASES PRODUCTION

Powerful Cleaner / Disinfectant – Improves Sanitation - Breaks Down Proteins - Eliminates Odour and Toxic Gases - Environmentally Friendly - Non Corrosive - Non Toxic –100% Biodegradable - 100% Effective

ATMOSPHERE FORTE PRO Effectively & Safely Breaks Down Proteins, Fats & Blood on Porous & Non Porous Surfaces, while simultaneously Disinfecting and Eliminating Offensive Odours.

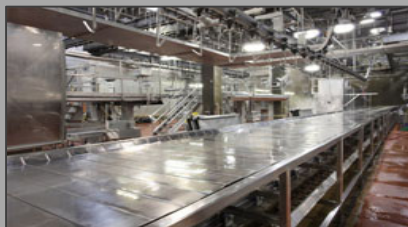

Safe to use on all surfaces Inc: Stainless Steel, Glass, Tiles, Porcelain etc.

HOLDING YARDS

ELIMINATES ODOUR, AMMONIA AND HYDROGEN SULPHIDE

FOOD PROCESSING

EFFECTIVELY CLEANS, BREAKS DOWN PROTEINS, FATS AND BLOOD

RENDERING AREAS

INBUILT HEAVY DUTY DETERGENT SYSTEM THAT CLEANS ALL SURFACES EFFECTIVELY

WORLD-WISE CERTIFIED

The earths ecological balance is important to us, and our caring is reflected in the products we produce.

This is supported by all our products approved to carry the WORLD-WISE LOGO on our labels.

The only Australasian company approved to do so.

- ❖ Have Only Zeros or Ones on HMIS® III Numbers for Health, Flammability, Physical Hazard.
- ❖ Must Contain No Volatile Organic Compounds (VOCs)
- ❖ Must Contain No Hazardous Components
- ❖ Must Contain No Nonylphenol Ethoxylates (NPEs)
- ❖ Must Contain No Ozone Depleting Substances (ODS)
- ❖ Must Contain No SARA Section 313 Reportable Ingredients
- ❖ Must Contain No Phosphates
- ❖ Must Contain No Heavy Metals
- ❖ Must Contain No Chlorine
- ❖ Must Contain No Phthalates (PVC)
- ❖ Must Be Packaged in Environmentally Responsible Packaging

APPROVALS & CERTIFICATIONS

AOAC Hard Surface Carrier Test as a Broad Spectrum Disinfectant against Bacteria & Viruses, TGA Listed, MPI (Ministry of Primary Industries NZ) C27, C31, C41, Dairy Approved, ChemAlert Registered, World-Wise Certified

ATMOSPHERE FORTE PRO

ONE STEP APPLICATION for HARD SURFACE CLEANING & DISINFECTION

FOOD PROCESSING AREAS | COOL ROOMS | EQUIPMENT | VEHICLE WASH

PRESSURE WASHER

- Add FORTE PRO directly into foam applicator as directed – 2.5% dilution with potable water.
- Apply FORTE PRO activated foam liberally over surfaces including stainless equipment and glass.
- Allow foam to settle on the surface to breakdown contamination (Proteins-Blood-Fats-Oils etc.) for no less than 10 minutes for food processing and rendering areas and 90 seconds for vehicles, before rinsing.
- Pressure Wash thoroughly with hot (40 - 50°) potable water.
- For heavy contamination & soiling, allow FORTE PRO to rest on the offending surface a little longer until the desired result is achieved.

500mL SPRAY BOTTLE

- Apply FORTE PRO directly into spray bottle as directed.
- Allow a distance of 1 foot from sprayer to designated surface.
- Spray directly onto the surface (1-4 pumps, depending on the amount of soiling).
- Allow to rest for no less than 90 seconds for contamination reduction and protein breakdown.
- Wipe off with a clean cloth.

GLASS & STAINLESS STEEL

If streaking is occurring, dilute FORTE PRO 1- 80 with clean water, and continue to the above directions

FLOOR SCRUBBER

- 1 part FORTE PRO - 60 parts water

NON FOOD CONTACT SURFACES

Thoroughly clean these surfaces as directed above. Apply FORTE PRO to the desired surface area and allow to rest for improved sanitation or rinsed thoroughly for a non residual finish.
