

"The Right Science"

## ATMOSPHERE ORANGE

ATMOSPHERE ORANGE (AO) IS A STRONG BIODEGRADABLE CITRUS BASED CLEANER – DEGREASER WHICH PENETRATES DEEP TO REMOVE STUBBORN DIRT, GREASE, STAINING & SOILING IN & ON ALL HARD SURFACES.

AO is a true "quick break" cleaner-degreaser & is compatible with all "water separation systems.

Effectively cleans any hard surface due to the deep penetration & the natural cutting ability of the citrus based formulation. It is safe to use on any surface & is completely user friendly for All applicators.

Ideal for application with PRESSURE WASHER & FLOOR SCRUBBER MACHINES on all surface areas from machinery & plant Equipment to factory & workshop floors.

PERFECT FOR OVENS & RANGE HOOD DEGREASING.

When diluted with water as directed AO becomes very cost Effective to use as a general cleaner for light cleaning up to an Aggressive degreaser for heavy duty cleaning.

CONCRETE

PETROLBAUSERS

OVENS & ENGINES

RANGE HOODS

## APPLICATIONS

WHEN DILUTED WITH WATER AS DIRECTED AO BECOMES VERY COST EFFECTIVE TO USE AS A GENERAL CLEANER FOR LIGHT CLEANING UP TO AN AGGRESSIVE DEGREASER FOR HEAVY DUTY CLEANING.

LITE APPLICATION	1 to 20 – 50 Parts water	Floor Scrubber, Pressure Washer, Stains, Floors, Machinery.
MEDIUM APPLICATION	1 to 10 – 20 Parts water	Equipment, Exterior Transport Cleaning, Air Conditioning Coils.
HEAVY APPLICATION	1 to 1 – 10 Parts water	Ovens, Range hoods, Engine Degreasing, Baked on Grease & Oil, Heavy Degreasing
